REPORT OF THE SUPERINTENDENT OF SCHOOLS

For the year 1928-1929

The Superintendent of Schools hereby presents his tenth annual report to the school board of Washington.

Miss Ruth E. Bassett was transferred from the Center to the East School. Mrs. Frances Wheeler, who became Mrs. Frances Crane remained at the Dole School. Miss Martha Wood, a 1928 graduate from the two-years course at the Keene Normal School, taught the Center Grammar School, and Miss Catherine Baker, a 1928 graduate from the three years course at Keene, taught the High School courses.

There has been a difference of opinion among the people of the district as to the advisability of running our high school, but judging from a comparison of the work done by our pupils and that done by pupils from other high schools, as well as considering the rank of our pupils when they attend high school elsewhere, it is certain that the pupils of the Washington High School did not suffer in scholarship by attending this school.

\$3700 was spent in teachers' salaries. The high school teacher was paid \$1100 and the three other teachers received a total of \$2600.

The enrollment was as follows:

School	Boys	Girls	Total
Center	8	11	19
Dole	4	3	7
East	1	8	9
High	4	1	5
	<hr/>	<hr/>	<hr/>
Totals	17	25	40

These 40 pupils were divided among the grades as follows:

Grade	Pupils	Grade	Pupils
1	5	6	3
2	5	7	1
3	8	8	6
4	3	9	1
5	4	10	4

One of these 40 pupils was a tuition pupil from Windsor, and we had six going to high schools and academies outside of the district, giving us a total of 45 children attending school.

The percentage of attendance was very high, being 98.8% for the Dole School, 96.4% for the High School, 96.1% for East Washington and 92.9% for

the Center School. Even the lowest per cent is not bad.

The Honor Roll for perfect attendance, those having been neither absent nor tardy for the whole year, contains the following names:

Homer Chase	Blanche St. John
Bertha Tucker	Dorothy St. John
Vivian Tucker	Lillian St. John

The school having the largest number of visits from parents, had the best attendance record. That is so often the case, that we feel sure that there is a connection between the two, and that the interest parents have in the schools, is a great factor, in making those schools, good schools. Following is a list of visits to the schools by parents and friends, by members of the school board, and by the superintendent.

School	Parents	Board	Sup't.
Dole	73	3	25
East	22	6	19
High	20	3	26
Center	16	3	24
	—	—	—
Total	131	15	94

The medical inspection was made as usual, and attention was paid to health habits in all our schools. Graduation exercises were held in the Town Hall at the close of the school year, and were well at-

tended. All but one of the six eighth grade graduates entered high school in the fall, which is a very good record.

We appreciate the untiring efforts of the teachers, and the interest shown by many parents, in our schools.

Respectfully submitted,
A. A. HOLDEN,
Superintendent of Schools.
